The Nord Center Receives \$264,182 in ARRA Stimulus Funds to Benefit Ohioans with Disabilities

The Nord Center was awarded \$264,182.24 in American Recovery and Reinvestment Act stimulus funds from The Ohio Rehabilitation Services Commission (RSC) to provide comprehensive Supported Employment services for RSC consumers with severe mental illness in Lorain, Huron, Erie and Sandusky counties. Services include community-based assessments, career exploration, job development and placement, job coaching, follow-along services, job-seeking skills training, travel training (for employment reasons), academic skills enhancement, vocational training, interpreting services and individualized benefits analysis. The three areas of skill training provided are clerical/computer, building trades/maintenance and food services. If you or someone you know is interested in obtaining meaningful work, please request a referral from your Nord Center counselor or case manager, the Bureau of Vocational Rehabilitation, Human Services or contact 440-204-4339.
