

Shelter Plus Care

Shelter Plus Care is a program designed to provide housing and supportive services on a long-term basis for homeless persons with disabilities, (primarily those with serious mental illness, chronic problems with alcohol and/or drugs, and acquired immunodeficiency syndrome (AIDS) or related diseases and their families who are living in places not intended for human habitation (e.g. streets) or in emergency shelter.

Shelter Plus Care has three program goals:

1. Increase housing stability;
2. Increase skills (education/training) and/or income; and
3. Obtain greater self-sufficiency.
